

INTERIOR A SHAMBLES -- This New Lenox home was ripped apart by a gas explosion Sunday morning that put five persons in the hospital. Looking at the place, inside and out, one wonders how the occupants lived thru the blast. There is a phone niche at the right side of the archway leading from the living room into the dining room and you can see the edge of the phone if you look sharp. It worked too. Ray Strappazon the photographer wondered about just after taking this picture and lifted the receiver. He got a normal dial tone. The living room is at the front or south side of the house and the dining room to the east.

Frankfort Annexation

Open New Area For Industry

Thirty acres owned by Alexander Mowatt, adjoining Frankfort on the west, were annexed to the village Monday night at the regular meeting of the board of trustees.

The tract, said to be intended for industrial development, is west of U. S. 45 and south of the New York Central right-of-way. It is reported that several individuals and companies have been showing interest in the location. Two freight railroads serve Frankfort and this particular tract, of course, has road access to U. S. 45 and U. S. 30.

Frankfort also has water and sewer facilities which industrial firms in the area -- if within the village limits -- could extend to their sites, it was pointed out.

The village board also vacated an alley between Nebraska and Kansas streets and Oak and Ash. Abutting property owners signed a petition asking the vacation be granted.

An application for a liquor license for a tavern in the vicinity of U. S. 30 and U. S. 45 has been filed with the village by Amos Massey, owner of the Standard Service station and motel on the southeast corner of the intersection. A new service station is being built behind the present station which will be pulled down when the new one is ready. The plans also call for a restaurant and tavern on the site. Under the village liquor

ordinance provision is made for three licenses. Two have been issued. Massey's application was accompanied by a check for \$250 which covers the amount of the license.

Permission to conduct a door-to-door cake sale in Frankfort by Lincoln-Way students was granted by the village board.

Village Attorney Albert H. Krusemark was instructed by the board to communicate with the New York Central railroad relative to removal of its old freight depot. The road has abandoned freight service to Frankfort and the depot is no longer needed. The village board indicated it may seek to have it condemned if the railroad does not see fit to remove it.

The New York Central incidentally wants to know if the village intends to lease the railroad property along Kansas street for parking purposes. The railroad is asking \$50 a month for a two-year lease and also would require that the village install certain type guard rails on the side of the property abutting the tracks. The Lions club now leases the property for approximately \$12 a month, it was said, and uses it for a skating rink in the winter months for the village children. The village is not interested in leasing the property and converting it into a parking lot nor were the merchants interested or the Chamber of Commerce when the idea was submitted to them.

Bus Service For Grade School Lacks Support

A group of parents interested in providing bus transportation for Mokena public grade school pupils in the outskirts of the district dropped the idea Monday for lack of support by other parents.

In the meantime the Mokena grade school board has an application on file with the U. S. Govt. Surplus Agency, at Springfield, for a school bus. Such items, it was pointed out,

carry nominal costs as a rule. Robert Geuther, board president, states that this does not mean, however, that the school board intends to purchase a bus. If and when one is available to the school the board will then decide on the issue.

The proposal just rejected was for the hiring of a bus to pick up the children. The price given was \$5 a month per pupil or \$7.50 a month for a family with two or more children who would become riders.

Sixty-three families were approached early in the school year with a total of 112 children for bus service. A committee secured a bus service contract and contracted all interested parents in order to collect this money necessary for the bus run. However, only 34 families wanted the service badly enough to pay for it, and it was found to be impractical to continue.

The committee expresses their thanks to everyone for their cooperation in this undertaking and wish to remind parents to use extreme care and caution in driving in school areas when delivering and picking up their children.

Achievement Program At L-W Tomorrow Night

The 15th annual 4-H Achievement Program will be held tomorrow night (Friday) in the auditorium of Lincoln-Way high school beginning at 7:30 p.m. The County and State Project Honor winners and the County and State Outstanding 4-H members will be recognized.

4-H'ers themselves organize the program and star in it since this is the occasion on which they receive recognition for all the work they've been doing during the year.

Kennedy, Kerner Victors, GOP Wins County

Will county, traditionally Republican but of late years infiltrated by Democrats from the Chicago area moving into outlying sections, gave Nixon a couple of thousand votes over Kennedy but presented Douglas and Kerner with pluralities over Samuel W. Witter and Gov. Stratton.

They did retain the Republican incumbents seeking re-election to county offices on unofficial returns from 7 of the 138 precincts. Only one man was in danger, Circuit Clerk Elmer Swansbro who held but an 86 vote lead, 40,134

to 40,048 for John Houlihan, Park Forest Disabled veteran; with the 6th precinct of Joliet unreported.

Noah Mason Oglesby, was reelected to congress in the 15th district defeating Dorothy O'Brien, DeKalb county, 93,685 to 91,603 in 349 of the 350 precincts in the six counties of the district, Will, Grundy, Kendall, LaSalle, Boone and DeKalb. He lost Will county 43,506 to 37,705.

The vote in the area on some of the offices:

Explosion Wrecks Home, Puts Five In Hospital

A gas blast rocked the north end of New Lenox Sunday morning (Nov. 6), at 7:15 o'clock demolishing a home and putting five persons in the hospital.

Condition of the victims, suffering from burns, cuts and shock, was reported as satisfactory. They are in Silver Cross hospital.

The explosion was attributed to a break in a gas main, almost two blocks to the west, coupled with the fact that a connection had been made between the house and the sewer. The gas seeped thru the sewer trench and into the basement of the Jack Droney home at 221 Ash st. There it was ignited by pilot light or spark, authorities believe, and the resultant explosion rocked the neighborhood.

A neighbor, William Weems, at 227 Ash st., was thrown out of bed by the force of the blast, he related, and to his startled eyes the Droney house appeared to be a mass of flames.

Scrambling into some clothes Weems dashed out to aid his neighbors. He was joined quickly by other men and the New Lenox volunteer fire department was at the scene within a few minutes.

Droney, 73, proprietor of Jack's restaurant on Lincoln highway, a few doors west of Cedar road, has been under a doctor's care for a heat condition but when the explosion occurred he rushed into the room occupied by his wife, Anna, 62, who also is in ill health, and her mother, Mrs. Kathryn Hausser, 87, and helped them out to a window from where they were carried to safety by firemen.

Mrs. Droney's sister, Mrs. Mary Levitus, 65, and her husband, Harry, 73 of 2442 Catalpa, Chicago, were spending the weekend in the Droney home. They were in the kitchen when the explosion came. The outer wall there was thrust outward by the blast and the kitchen door, including an aluminum and glass storm panel was ripped out, frame and all, and tossed approximately 30 feet.

The blast twisted and broke walls, tore out windows, frames as well as glass, and left big gaps in the foundations. Plaster was torn off the walls and flames that spread thru the two-story Dutch Colonial frame house, seared contents and window apertures. The blaze was quickly extinguished by firemen.

Fire Chief Frank Vally, who incidentally built the house originally described it as a total loss and beyond repair. The damage was estimated at approximately \$35,000.

Investigators believe the break in the gas main occurred several weeks ago when a trench was being dug along Ash street, near Cedar road. The power shovel in use is alleged to have hooked on to the gas main and lifted it high enough to bend it and cause the pipe to crack. There was a rain Oct. 31, and more rain last Saturday night. Precipitation caused some settling in the filled sewer trenches and it was believed that such settling may have opened the crack wider, permitting a greater flow of gas.

Some persons in the neighborhood have complained of smelling gas for the past week but no such complaints were registered with the gas company according to a spokesman for the corporation, nor does it have

BEYOND REPAIR-- Home of Jack Droney at New Lenox is damaged beyond repair according to Fire Chief Frank Vally and can be described as a total loss as a result of a gas explosion on the premises Sunday (Nov. 6). The north wall or rear of the house you see in this picture is sagged down and

bulged out as are other walls. Note the bulges in the roof and how the chimney, broken in half, is firmly balanced. Note too the back door in the foreground. The entire door, frame and all, was hurled to the point you see it, which is about 30 feet from the house.

New Lenox Will Issue 2nd Lien Bonds To Complete Sewer System

Second lien bonds in the amount of \$30,000 are to be issued by the village of New Lenox to provide funds for completion of the sanitary sewer system now in the final stages.

Additional users over the number originally contemplated have made extensions of the system necessary, it was explained and the original bond issues were insufficient to meet the demand.

There are now 525 prospective users signed up now, it was announced at the regular meeting of the village board last

a report of the bending of the main.

After the explosion Sunday gas company crews replaced a section of the damaged pipe.

The gas did not invade any other homes before reaching the Droney place because none of the others had made connections with the sewer. According to a village ordinance no connections are to be made until the sewage treatment plant is ready for use. Householders are supposed to leave a gap -- open for inspection -- at the house and until such time as the sewer is ready for use.

A person in the neighborhood said he heard an explosion about two hours earlier than the one at Droney's, that was close enough to rattle the windows of his home. But no one else, he said, heard anything.

week, a number that was not expected to materialized for another two years.

Engineers and bond firms predict a growth in users so that by 1965 the year when the second lien bonds will be payable, the village should have some \$50,000 on hand with which to meet the obligation.

The bonds be of \$500 denominations and bear 6% interest that is tax free. It is anticipated these bonds will be purchased locally.

Figures furnished by Lawrence Woodman of the firm of Baxter and Woodman, engineers for the village, show the total cost of the sewer system, including the sewage treatment plant, will be approximately \$565,690. The money on hand comes to \$524,459, leaving a difference of \$41,231. Applied on this amount is \$14,000 that will come from additional revenue bonds, leaving a balance of some \$27,000. This plus some \$2,000 in miscellaneous costs will bring the sum needed to complete the job at approximately \$30,000.

The extras include such extensions as the shopping center, Gall Lane, Elm Drive and Wallace, Maple Lane, Roy St., Joliet highway, the Rock Island depot area and numerous additional manholes. The engineers say the sewer system will be ready for use about Jan. 1, and householders should figure on that date in making service con-

nections.

The village board adopted ordinances formally annexing Maple Lane and Elm Drive and Wallace street, the latter a subdivision opened by Vernon Mangun. There are 14 homes on Maple Lane but only 12 are included in the annexation, Frank Waite and Charles Bally appeared before the board to say they did not want to be annexed. They said that if their action would have halted annexation they would not have taken it out of consideration to their neighbors but since it involves no one else they will remain in the unincorporated area.

Trustee Keith Hossack urged that in the future any subdivision annexed to New Lenox be free of dead-end streets. Hossack also reported the street department has purchased a used cinder spreader for \$250 and a snow plow for \$1,000. Delivery is for mid-November.

The street department has been filling cave-in sewer trenches that have developed week-ends or at night when the sewer contractor does not have men available the village crews use the contractors machinery and material in doing this work and their extra hours are also paid for by the contractor.

The board recessed until Nov. 16 when it will meet again to open bids on Pine street drainage plans. Clerk Robert McCleary was authorized to

advertise for bids for a new police squad car--Chevrolet or Ford. The bids will be opened at the December meeting.

Trustee Eugene McGovney is planning a police training program that will run 24 weeks. Police are to be paid on a semi-monthly basis now. In the next appropriation ordinance the village will be required to provide for a salary for the police magistrate. Beginning next year police magistrate will turn all costs into Municipal treasuries.

Dedicate New Organ

Music lovers will have an opportunity to hear an organ recital at Lincoln - Way high school next Wednesday night (Nov. 16) that will serve a double purpose.

It will be the dedication of the new Lowery organ which the Parent Teachers Group of Lincoln-Way is giving to the school and the P.T.G. hopes all the 650 tickets available will be sold so a substantial payment can be made on the balance due on the instrument.

The tickets are on sale at the high school or they may be purchased from any P.T.G. member. Tickets are \$1.

Frank Renaut, a national radio and TV artist, will be at the console. He is organist at Trinity Reformed church, York, Pa., and has his own television show. He also has appeared as organist with name orchestras and is being brought here by the Fowler Piano and Organ Co.

The concert is to begin at 8 o'clock.

Green Garden Church To Mark 75th Year Sunday

The Green Garden Methodist church, which will observe its 75th anniversary this Sunday, Nov. 13, was organized by the Rev. F.F.R. Klenzky in the summer of 1885 and was dedicated the following November. The church was originally a member of the Chicago German Conference and services were conducted in the German language until 1927.

The original church still stands as a part of the present building, although a destructive tornado hit the area May 26, 1917, severely damaging the church and moving it from its foundation. The congregation took this opportunity to excavate the basement, making room for kitchen facilities adding the chancel and enlarging the church. In 1925 an electric plant was installed, bringing electric lights to the church.

In 1927 the Green Garden and Frankfort Methodist churches were united into one charge with the Rev. Samuel Weisschorn appointed as their pastor. The combined churches continued until 1955 when both churches felt the need to have their own pastor. In July of that year three acres of land was purchased, adjacent to the church for the purpose of building a new parsonage, being completed in 1956.

A young people group was first organized into an Epworth

League in 1890. With the unification of the Methodist churches in 1940, the league became the Methodist Youth Fellowship.

The Ladies Aid was organized in 1920 and reorganized in 1940 to become a Woman's Society of Christian Service.

Three members of the church entered the ministry. The Rev. Henry C. Loeppert was ordained in 1890 and served as adequate to the General Conference of the church twice; Dr. Adam J. Loeppert, ordained in 1902, served as district superintendent of the Chicago district and is the author of religious books and articles; and Dr. Henry M. Bettenhouse, who was a professor at Albion College, Mich. and also an author, entered the ministry in 1911.

Program plans for the afternoon beginning at 1:45 p.m. to which the public is invited, are under the direction of Norman Gill, president of the church board; Charles Krapf, lay leader; Mrs. Alfred Krapf and Mrs. Edwin Dralle of the WSCS; Mrs. Norman Krapf, history; Mr. and Mrs. Charles Krapf, chairman of hospitality and reception; Mrs. Adolph Ullrich, guest book; Mrs. Chester Steinberg recognition; and William C. Bettenhausen, publicity.

A supper will be served following the program by the Woman's Society of Christian Service.

Frankfort Will Present Playlet At Womans Club Meeting

MRS. KATHARINE HEISNER TEL. 5185
Members of the Woman's club will be entertained by a family counseling service from Park Forest when the club meets next Thursday, Nov. 17 in the Methodist church at 8 p.m.

A skit entitled "Broken Circle" will be presented by the South Suburban Family Counseling Service, dealing with family problems.

Mrs. Con Wieringa, hostess chairman, will be assisted by Mesdames: Clark Bennett, Walter Schoen, H. Roberson, William Wilson and James Parker.

Mr. and Mrs. Kenneth Oetter and family motored to Marengo Saturday evening to attend the 11th district meeting and installation of district officers of the American Legion. Mr. Oetter was installed as the Historian of the district.

Mr. and Mrs. Walter Wiese of Lockport were dinner guests of their daughter, Mr. and Mrs. Willard Burde, last Thursday.

Beaver Patrol, Leaders Hold Overnight Camp

MRS. EMIL WILLE Tel. Frankfort 5277

Whistling and singing along the roads could be heard by residents Friday night; upon investigation five boys of the Beaver Patrol Boy Scout troop #271 and their leader were walking toward the Dwight Nicholson farm for an overnight camp out. Those braving the weather were: Jim Sugg, Wayne Rouson, Don Jenkins, Kim Zimmerman, Donald Ball Jr., and Eddie Zitter, assistant Scoutmaster. Donald Ball Sr., Scoutmaster met the boys at the end of the hike.

The evening was spent learning various phases of camp craft such as shelter building, lashings, knot tying, fire building, ax handling and cooking. The boys turned in under the lean-to they have built; cooked their own breakfast and broke camp at 9 a.m. Saturday morning.

HALLOWEEN PARTY
Two hundred children and adults attended the third annual Halloween party last Saturday evening sponsored by the Auxiliary Police of Will County at the Ann Rutledge school. Auxiliary Captain John VanDonk introduced Chief deputy Lee Rupert who addressed the group briefly.

Judging of the costumes were divided into five classes with five prizes being awarded in each class. Winners were Cindy Evans, Debbie Payne, Joan Nicholson, Alice Jones and Diane Vaughn in the pre-school class; first and second grades, Garlan Hendrickson, Virgil Howard, Patricia Chedister, Debbie Hath and Betty Jane Martin; third and fourth grades; Mary Flynn, Gloria Janard, Christine Schaefer, Anita Olsen, and Lyle Koester; fifth and sixth grades; Kennedy Blevins, Jimmie Vaughn, John Flynn, Marilyn Hicks and Susan Paska; seventh and eighth grades; Donald Ball Jr., Marilyn Kluth, Carol VanDonk, Peggy Blevins and Pamela Koester. Judges were Mrs. Cal Heath, Mrs. Dwight Nicholson, William C. Davidson arranged a talent

show with the help of the school children. She was also in charge of the refreshments with the assistance of the women of the community. Hot dogs, doughnuts, ice cream, candybars and pop were enjoyed by those attending.

The Auxiliary Police express their appreciation to the orderly crowd helping to make the party such a success. The members patrolled the streets of the community the week prior to Halloween as a protection against vandalism. They receive no pay for patrolling or for the use of their cars.

PTA TO MEET
Robert McFadden, Civil Defense director of Will County, will be the guest speaker at the PTA meeting, Monday evening, Nov. 14. Mr. McFadden has been in Florida for several months helping in the disaster areas after the hurricanes. Everyone is invited to attend this meeting.

Mr. and Mrs. Rudy Urbano entertained the following dinner guests last Sunday in honor of the former's birthday: Adolph Norling and daughter Mel and Louie Urbano, all of Chicago.

Mr. and Mrs. Charles Cane returned recently from a ten day fishing trip at Siren, Wisc. They report very good fishing.

Weekend guests in the home of Mrs. Joseph Gudgeon and family were Mr. and Mrs. James Gudgeon and daughter Dorothy of Springfield.

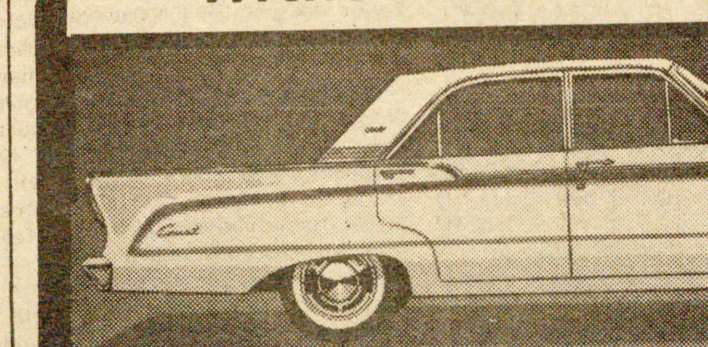

"Sure it was terrible, but I thought it was wonderful..."

HOMER NEWS

By Elizabeth Anderson

The Good Luck Camp of Royal Neighbors will meet in the social rooms of Homer Church Thursday afternoon, Nov. 17. The hostesses will be Mesdames: Abbit Timm, Jennie Ott, Margaret Dollinger and Lena Wright.

The Couples Club will hold its monthly meeting at the J. J. Paddock home Friday evening, Nov. 11. They are planning to sell candy as a pre-Christmas project.

The Bradford Leaguers enjoyed a hayrack ride followed by a Halloween party at the church diningroom last Saturday evening. Otto Moravec piloted the rack and Mrs. Moravec helped with the party.

Halloween parties were held in each room of the 33-C school on Friday afternoon of last week.

Mrs. E. A. Cary, Mrs. Reed Burch and Mrs. Ira Anderson represented the Wayside Workers at the County Convention of King's Daughters at the United Brethren Church in Joliet Wednesday. A delightful luncheon was served by the ladies of the church at tables daintily decorated in lavender and white which are the colors of the Order. This was followed by reports of the State Convention held last week in Oak Park, also reports from all project chairmen, a Memorial service for all county members who have died during the past year, and election of officers. Mrs. I. C. Chase, who has served as county president for the past five years, was replaced, at her own urgent request, by Mrs. Clyde Smith also of Joliet. All county circles but one were represented at the convention.

On Friday morning eight Homer church women attended the brunch at Fairmont Methodist in observance of World Community Day. Mrs. James Elvig was chairman for the day and Mrs. John Hollister, was co-chairman. Mrs. John White accompanied the soloist, Mrs. Michael Oreshack. Mrs. Willard Cagwin was one of the ushers. The highlight of the morning was the very interesting talk and slides on South Africa, presented by Mrs. Wesley Carlson assisted by Mr. Carlson. They are missionaries from the Nepal area here on furlough, expecting to return to Africa soon.

Homer Fire Auxiliary women worked on bazaar items at the home of Mrs. Walter Dudek on Friday. The spaghetti supper and bazaar will take place Thursday evening (tonight), Nov. 10.

The King's Daughters worked on their recipe books at their meeting Thursday at the church. They hope to have the books ready for sale before Christmas. The next meeting will be the Christmas luncheon on Dec. 1. Mrs. Robert Doak and Mrs. W. H. Kettering were guests of the Circle.

On Thursday afternoon of last week, Mrs. Richard Czimmer, Mrs. Earl Burnworth, Mrs. Beulah Raeside and Mrs. Galen Holloway, all members of the Homer-Lockport Home Bureau Unit, attended a tea at Sportsman's Hall in Manhattan, in honor of the members who have joined within the past year. An interesting item on the program was an excellent talk on ceramics given by Mrs. Edward Salesnik of Joliet.

The Homer Missionary society will meet in the home of Mrs. Earl Burnworth on Thursday, Nov. 17 at 1 o'clock please note the change of date because of Thanksgiving falling on the regular date. Mrs. Robert Niven will be the co-hostess. A nominating com-

mittee for the election which takes place in December will be appointed that day. Members should return their mission boxes to be sent to the Pilgrim Missionary Society at this time; other church women who do not belong to the society are invited to contribute to this project also.

The Homer-Lockport Home Bureau Unit held its monthly meeting in the home of Mrs. George Nordstrom last Wednesday. Hostesses were Mrs. Don Reid, Mrs. John Hasibar and Mrs. Gus Termunde.

Mrs. Lolita Elvig of Brainard, Minn., has been a guest in the home of her son, Rev. James Elvig and family during the past week. She came to see the new granddaughter, Nancy Anne.

Mr. and Mrs. Earl Burnworth were called to Sidel last weekend by the critical illness of his mother, Mrs. Mary Burnworth.

Sunday, the 13th will be C. R. O. P. Day and a committee will be around to collect for this benefit for Overseas Relief during the following week. The Homer School club of 33-C will hold its monthly meeting on Thursday evening, Nov. 17, at the school.

There will be a short Congregational church meeting following the morning service on Sunday, Nov. 20.

The meeting of the Jr. Bradford League, which was too have been held last Friday evening was postponed until Friday, Nov. 18 at 7 p.m. It is planned to form a new youth group of sixth through eighth graders.

Agriculture Notebook

BY ROBERT V. AN RHEEDEN (L-W Vo. Ag. Instructor)

The following items have been selected from various sources because of their general interest to farm people and to people who are interested in farming.

FARMING VERSUS MONEY: An Iowa survey asks farmers to name the salary it would take to lure them to a job in town giving up farming.

Most choose farming and life on the farm to a higher-paying job in town, even when the town job was in the same community. One group of farmers questioned indicated they'd consider quitting farming only if the pay in town was at least 50% higher.

In another area ties were even tighter. Farm families there said they'd need two and one third times their farm income to consider leaving for a non-farm job.

MEAT TENDERIZING PROCESS: A new meat tenderizing process has been developed in Scotland. Meat is first dehydrated by "accelerated freeze drying" to give it an absorbent spongy texture which soaks up the tenderizing enzymes. Meat is then soaked in a solution of these biological substances

which break down the tissues and softens the proteins. Makes meat tastier as well as more tender.

INCOME TAX DEDUCTIONS: Fertilizer cost is now fully tax deductible in the year it is applied. Previously, it sometimes was and sometimes wasn't. When fertilizer, limestone, phosphate, etc., was applied, because the benefits lasted over a period of years the cost had to be depreciated over the duration of the benefit. Now, the law says, the entire cost can be deducted in the same year applied.

CORN CROP SAFE: Ideal fall maturing weather put practically all corn past freeze danger before widespread frosts occurred two weeks ago. Harvest, now progressing at a rapid rate, will put a little pressure squeeze on prices.

Most sources recommend to store all corn possible for a good seasonal price rise.

SOYBEAN CROP SMALLER: Present estimates puts supply in closer balance with probable use. Expected November prices -- steady to stronger. Beans in storage should show fair gain if held through most of winter.

Orland Park Center School PTA To Show Films On Holland

MRS. SHERMAN KNOX
Tel. FI 9-0211

The Orland Center school parent and teachers club of Dist. #136 will meet next Tuesday, (Nov. 15) at the school.

Cornelis Asmus, a native of Holland and now residing in Orland Park Hills, will provide the program for the evening. He will show films of his homeland, Paris and Rome and will describe the various scenes.

An informal parents get-together will follow the program which will enable new parents to become acquainted with their neighbors and the school faculty. Refreshments will be served.

Students of grades fifth through eighth entered a magazine subscription campaign during two weeks in October and the amount of subscriptions sold amounted to \$678.20. The eighth graders are planning a candy bar sale in the near future. Proceeds from these projects will be used toward purchasing library books, athletic supplies and help provide transportation to Springfield as the yearly field trip for the graduates.

WOMAN'S CLUB

The Woman's Club will meet at the Community Center Foundation, Wednesday, Nov. 16 at 1:30 p.m.

Mrs. Amor Sandberg, third District chairman for Park Ridge School for Girls, will be the guest speaker; giving some highlights about the school. It is hoped that Mrs. A. D. Ramsey, chairman for Lincoln Lodge, Boys Town of Illinois, will be able to attend and tell about the boys school. After the program, the hostesses, Mesdames Karl Ekberg, George Gee and Robert Horn, will serve refreshments.

Third District Junior Board meeting will be held on Friday, Nov. 18 at 8 p.m. in the Ridge Park Fieldhouse 96th and Longwood Drive, Chicago.

BOY SCOUTS

The Boy Scouts will conduct a paper drive, Saturday, Nov. 12 starting at 8 a.m. Please have your paper tied in bundles and placed at the curbing of your home. A truck will be parked at the grade school on 143rd St. for your convenience.

GIRL SCOUTS

Two hundred parents and guests attended the Girl Scouts program honoring Juliette Low's birthday, Sunday, Oct. 30, in the school auditorium. Miss Florence Schlott, guest speaker, executive director of South Cook County Girl Scout Council stated that over three and a half million Girl Scouts in the United States were observing the founders birthday. She pointed out the purpose of Girl Scouting and the influence it has on the girls daily lives and attitude. There is a great need for adult leadership as there are 10,000 girls desiring to join.

In the flag ceremony, Sally Doogan of Troop 576 served as Sgt.-at-arms; Bette Ann Bartell, Linda Piper and Joan Kane, Troop 311 were color guards. Brownie Troops 180, 296, 349 and 307 presented skits during the program; the closing ceremony was conducted by troop 420.

The following girls exhibited posters of Girl Scouting and Juliette Low's birthday: Linda Horn, Susan Clayton, Diane Duehr, Susan Kopack, Wendy Waterman, Shari Lee Embry, Susan Griffith and Peggy Herndon.

Girl Scout leaders in the Intermediate Troop 576 are: Mrs. R. Moulton and Troop 311, Mrs. J. Bartell; Brownie leaders are: Mrs. F. Schrank, Troop 180; Mrs. W. Waterman, Mrs. R. Kleinpaste and Mrs. R. Heynen of Troop 296; Mrs. G. Little, troop 349; Mrs. W. Blades and Mrs. G. Otto; troop 420 and Mrs. G. Peterson, troop 307.

PTA

A Halloween party sponsored by the Parent-Teacher Association was held October 31, in the school.

While the costumed children marched around in the school gymnasium, a panel of judges comprised of Mesdames; Merrill Cooper, Melvin Doogan, Karl Scheel, and Robert Zdesty chose two children from each grade who, in their opinion, had the most original costumes.

Children who had prize-winning costumes were: Jerry Blummer, Billy Brown, Lloyd Christensen, Roy Christensen, Billy Clark, Bruce Cooper, Mark Cooper, Deborah Davidson, Victoria Graham, Arthur Granat, Michael Higgins, Joan Jackel, Julie Karre, Ann Paschall, Roland Sander, Lynn Shroats, Joseph Soprych, and Michael Weist.

Each child was awarded a certificate good for two 10¢ ice cream cones at The Corner Fountain.

Frankfort Lions

To See Movie

The Frankfort Lions Club will meet next Tuesday evening at Arch Inn, (Nov. 15) for their November dinner and monthly meeting.

Movies will be shown on Industrial Planning by Sidney Westby, superintendent of the Joliet district for the Public Service Co. and a member of the Joliet Chamber of Commerce.

All village officials who are not Lions members are asked to attend this meeting.

Current projects of the club include the building of two additional bus shelters for students of L-W high school. One is to be located at the intersection of Rt. 30 and 45 and the other in Lincoln Meadows. A committee has been appointed to consider the purchasing of a maintenance truck with a snow plow attachment to cover village needs with the cooperation of the Chamber of Commerce.

At a special meeting held last Friday evening the club gave a cash donation to the Barbara Carlson Fund. Other recent contributors are the Salvation Army, Royal Neighbors, Legion and Legion Auxiliary.

Here's BIG News from your NEW HOLLAND DEALER

YOU GET A FINER PATTERN, FASTER...

with a New Holland tractor-driven Model 331 Manure Spreader.

Big 130-bu. ASAE-rated capacity means lower total costs—bigger loads, fewer trips, and less time and fuel.

Exclusive CYCLON-ACTION gives you high speed shredding and fine, uniform spreading. Heat-treated paddles for extra toughness... specially treated wood flooring... primed steel sides... New Holland gives you the best combination of steel and wood for maximum strength and longer life.

Convenient rope control puts you in charge of the operation from your tractor seat—with a choice of 4 apron speeds!

ASK US ABOUT ALL THE ADVANTAGES OF A MODEL 331 SPREADER.

In the flag ceremony, Sally Doogan of Troop 576 served as Sgt.-at-arms; Bette Ann Bartell, Linda Piper and Joan Kane, Troop 311 were color guards. Brownie Troops 180, 296, 349 and 307 presented skits during the program; the closing ceremony was conducted by troop 420.

The following girls exhibited posters of Girl Scouting and Juliette Low's birthday: Linda Horn, Susan Clayton, Diane Duehr, Susan Kopack, Wendy Waterman, Shari Lee Embry, Susan Griffith and Peggy Herndon.

Girl Scout leaders in the Intermediate Troop 576 are: Mrs. R. Moulton and Troop 311, Mrs. J. Bartell; Brownie leaders are: Mrs. F. Schrank, Troop 1

Editorials

The Holidays Are Coming

Time has a way of slipping up on one when he isn't looking. It seems like the Fourth of July was only a couple of weeks ago and here we are now going on Christmas.

That's right. It's later than you think. Thanksgiving is only a whipstitch away and in many families the dishes are hardly cleared from the Thanksgiving table before preparations begin for Christmas.

But some are lolling back now and saying, "Oh, there's lots of time yet. Thanksgiving is not until two weeks from today."

"TWO WEEKS FROM TODAY?" echoes the lady of the house as the fact sinks home, "Good heavens!"

At the risk of causing more consternation we repeat that Thanksgiving is breathing down our necks. Next Thursday you can say:

"Well now, Thanksgiving? Why yes, it is next week and here is that list of things I was supposed to get last week-end. If I don't have them by this week-end my name's mud and with a small 'm'."

Those candied fruits used in the manufacture of homemade fruitcakes appeared on food store counters a couple of weeks ago.

Time is the essence, it says in various kinds of contracts and one may also employ the phrase in the making of fruitcake. The difference is that in the contracts the phrase is a demand for speed but with fruitcake it is the opposite. Time is a great mellow for fruitcake. Occasional brushing of the cake with a mixture of Jamaica Rum and fruit brandies also aids the process.

Yes, indeed! The holidays are almost upon us again and there are so many things so many of us have intended to do but haven't done in getting ready for same.

The result will be the same last minute shopping rush; the same rush to get cards in the mail; the same rush with party plans; the frenzied checking of Christmas lists with the inevitable discovery that some names have been left off.

Perhaps you think we are being spoilsports to warn you that the holidays are drawing near. If we thought you would pay any attention to such warning we wouldn't have told you but we know you won't.

It is human nature to procrastinate and then rush at the last minute to get things done. And at holiday time it's more fun.

Tomorrow is Armistice Day. Some call it Veterans Day. Just who named it such is not known to this department. . . probably some committee. There are always committees that want to change things and if not committees then some government bureau is always ready to take over existing things and remold them to it's heart's desire.

But for most people -- especially those who served in World War I and their families -- Nov. 11 is Armistice Day.

The people at home had two celebrations in November, 1918 -- the False Armistice, as it came to be called, on the 10th, and the one on the 11th, which was the real McCoy.

Members of the A.E.F. (American Expeditionary Force) for the most part heard on the night of the 10th that at 11 a.m. on Nov. 11, all firing and combat was to cease but they had heard things like this before. They would wait and see.

Those in the lines, of course, had no time for whooping and hollering. For them it was business as usual, a lousy, cold, disagreeable killing business.

But when 11 o'clock did arrive on Nov. 11 and the south of gunfire suddenly ceased it was a silence heard round the world.

Your column conductor remember Nov. 10 and 11, 1918, quite well. We took off on the 10th (later we learned that we were heading for Metz where a new drive was scheduled to open) and what made it memorable was that we were riding in trucks instead of foot-slogging. "They seem to be in a awful hurry to get us up there," the company comedian observed. "Must be our casualty lists are running below normal."

With us riding was practically a novelty. The trucks assigned to us had a song about it that we used to sing when we were marching and not sneaking up on the Kaiser and could make a noise. We had to be very quiet when sneaking up on the Kaiser and if it was dark we couldn't smoke. From that we deduced then this: Kaiser could see but couldn't smell. The song ran like this: "We're motorized, we're motorized, 'We're motorized we know. But we're the kind of company that likes to walk and when we ride, we take it out in talk. We're motorized, we're motorized, we have 11 big Pierce Arrow trucks; but when we hike you'll us behind them; the big C.O. says 'Boys, never mind them, You're motorized, you're motorized. But you're the ----- National Guard.'"

We heard about the Armistice that night when we halted in a village to sleep. There was a good poker game going in one of the stables where we were billeted and jaspers kept coming in interrupting the game with reports that the war would end on the morrow. What finally convinced us was the appearance of a French soldier, waving a bottle and inviting us to have a free drink.

We knew then it was either the end of the war or the end of the world.

The next day, Nov. 11, we took off again. The guns were still rumbling in the distance. The top kick had told us the war would end at 11 o'clock and all troop movements toward the front would halt at that hour and a cease fire order was included.

The top, however, sometimes got volunteers for unpleasant details by asking for interpreters, automobile drivers, typists etc., so no one was to be impressed by what he said about the Armistice.

The boys figured if they appeared too interested the next thing he would ask if anyone wanted to take a trip to Paris before going home and the one sucker enough to say "Yes," or "Me," would find himself pumping up a truck tire of alongside a truck down to the axles in mud and a shovel in his hand.

But the top wasn't lying. Sure enough, come 11 o'clock and we stopped and set up housekeeping until further order.

There was an empty sound, tho, in one's ears. The comedian called the turn. "Look, Ma; 'he enjoined, 'no guns."

Everyone was glad, of course, and after waiting around for the inevitable French town major to assign us billets and getting our gear stowed away we naturally gravitated to the cafe. It

was poorly stocked for such an event such as the ending of a great war.

There was vin ordinaire, rouge et blanc; a little champagne; little cognac worth of mention and NO BEER.

By bedtime there were scores of rumors afloat.

We were going home. . . in two weeks we would see the Statue of Liberty. . . two months. . . two years because we were going to Germany. . . the armistice was temporary. . . the Germans had used the armistice as a trick and were coming thru us. . . we were going thru the Germans. . . married men would leave for home within a week. . . it might be five years before the single guys would get out. . . leaves would be available the next day for those who wanted to go to Paris or London. . . there was going to be an extra payday. . . the war was going to start again tomorrow and so on and so on. . .

All such pronouncements were made, of course, on highest were made, of course, on highest authority. The company clerk saw the orders and the orders came straight from Black Jack Pershing himself from his headquarters at Chateau.

Next day we began to believe anyway that the Armistice was sure enough.

Business & Finance

BY MAURICE P. ANGLAND
Due to publication requirements, this column is written prior to accurate knowledge of which party has won the great contest.

The popular vote is likely to be close or at least close enough so that extremists in both parties will be unable to impose their wills on the country. Various shades of economic thinking are found in both major parties and these ideas reflected in actions of congress. Southern Democrats and conservative Republicans are a potent force. As is usual, business leaders in their expressed plans as to purely business matters, have shown no observable change as the political winds changed back and forth.

We have heard much of what will be done as to the credit situation and controls. Only congress can change the present independence of the Federal Reserve Board. It has taken many years to refine the present checks and balances of credit controls. It is most unlikely that any serious move would be made to make changes without extended hearings and studies. Undoubtedly, the system is not perfect, but it is recognized by economists and bankers, to have aided greatly in avoiding periodic credit excesses and resultant penalties.

It seems unlikely that any political party would care to risk its whole future in a gamble at credit controls by men who have not proven they know what they are doing. Politically, it is much easier and safer, to be in a position where an accusing finger can be pointed at the "bad boy" without having to take on the job.

Money and banking has long been recognized as a very scientific field, but only in comparatively recent years has this been generally accepted by our political leaders. It is not so long ago that men and women who became experts at entertaining, also assumed the role of experts in economics without training in that field. The stock market is show-

ing signs of strength on the up side. The better known investment advisory services are expressing cautious optimism. Fortune Magazine, for November, in its well reputed Business Roundup, states, "The economy has probably touched bottom in its industrial dip, or very close to it."

The magazine points out that in real terms, the gross national product has had less than one half percent change between the first and fourth quarter of 1960.

The article also mentions the constant rise of monthly figures on personal incomes. This observation has received considerable comment from most surveys of the past few months. The critical pattern of retail sales has not been following the usual recession pattern. "Important recently have been rising government payments for unemployment and related benefits, government construction and defense activities, and government payrolls. Government employment rose by 140,000 from July to September, while manufacturing employment declined by 180,000."

Retail merchants are expected to have a good holiday trade. Reports indicate that automobile sales of new cars are now back to the spring rate of 6,300,000. Used car prices have been stronger. This indicates better demand and is an aid to new car sales.

About one third of present sales are in the compacts.

WILLIAM F. WHITESIDE
COOK COUNTY ASSOC.
FARM ADVISER
Tinley Park - Kellogg 2-4374
Cook County 4-H members and leaders share the spotlight at the achievement program held this week at the Carl Sandburg High school. 4-H leaders who have served their club and community for five and ten years were recognized by receiving a Clover award for 4-H leadership. Earl Siemsen, Tinley Park, received such an award for ten years of leadership.

For excellence in project work, 4-H activities and community service, three 4-H's received the 4-H key award: Linda Johnson, Richton Park; Julia Ann Melvin, Matteson; and Jean Siemsen, Tinley Park. This is a very highly coveted award.

Twenty-four agricultural state project honor members were cited for outstanding work in individual projects in Cook County. The members from South Cook were: Bill Andrews, Park Forest; Carol Bettenhausen, Tinley Park; James Bussemma, Linda Bussemma, Chicago Heights; Diane Cappel, Kay Maue, Jean Siemsen, Betty Jean Stellwagen, John Stellwagen, all of Tinley Park; Charles Ludmer, John Thompson, Park Forest; Leslie Warning, Worth;

Karen Wetzel, Chicago Heights; Elaine Yunker, Leslie A. Yunker, Orland Park.
Leslie Yunker was awarded a trip to Chicago for his work in the 4-H grain marketing activity. For outstanding leadership ability, the following 4-H members were named delegates and alternate delegates to Jr. Leadership Conference: Leslie Yunker, delegate; James Bussemma, 1st alternate.

The "4-H Club of the Year" award was deleted this year and a number of "Blue Ribbon" clubs were named. To receive this award the club must carry on a well rounded program of their own and participate in such county events as training schools and Federation activities. The "Blue Ribbon" clubs this year are: Tinley Hustlers, Do-R-Best and Glenwood Aces 4-H Clubs.

Charles Ludmer, Park Forest, was one of the district winners in the Farm Electrical Council contest. He received a 4-H jacket. Roy Bettenhausen, John Stellwagen, both of Tinley Park received 4-H jackets from Northern Illinois Breeding Co-Op for their outstanding dairy projects. Each boy to receive this award had a cow who produced 400 or more pounds of fat in a 305 day lactation.

Hints For Homeowners

BY: JAMES FIZZELL,
ASS'T FARM ADVISER
Now is the last chance you will have to prepare lawns and plantings for winter. Proper attention to this will assure that everything will come through the winter in the best condition.

Lawns should be raked free of all fallen leaves. Leaves will smother out the grass below them leaving dead areas in the lawn. The grass should be cut to about two inches so that it will not become matted inviting disease.

Annual flowers should be pulled out of the beds as soon as they die, or should be dug under. Tender perennials and bulbs should be removed before the ground freezes solid. Be sure to cut back the dead tops of the hardy perennials and rake the rose beds free of fallen leaves. Some of the diseases of roses can be eliminated in this way, since they often overwinter on fallen leaves.

Secure the materials you will use to cover the rose plants. Half bushel baskets placed over the plants work quite nicely, or mound soil or peat moss up around the plants.

Evergreens, particularly newly planted ones should be well watered before the ground freezes. These plants need water even in mid-winter because their leaves lose water every warm day.

Many people lose their chance for an early start in spring because of broken or lost equipment.

Mud and rust should be removed from all shovels, trowels, hoe, etc. Rust can be removed with a wire scratch brush or steel wool. After cleaning, sharpen the tools and wipe them with an oil rag to prevent further rusting.

Rough or cracked handles can cause nasty blisters. Smooth rough spots with sandpaper and treat the handles with linseed oil. Replace cracked handles.

Sharpen your mower or have it sharpened. Clean grass clippings and oil from all parts with a brush and oil all moving parts. Adjust the blade to the proper height.

Gasoline engines should be drained of fuel and cleaned.

Fuel left in the tank over winter can gum up the carburetor and fuel lines. Clean the air and fuel filters. Clean or replace the spark plug. Check moving parts and belts for wear. Replace worn parts which could cause a breakdown with heavy summer use.

Thoroughly clean all traces of fertilizer from your spreader, and oil the moving parts. Fertilizer bags should be stored off the floor, and open bags should be sealed to prevent caking.

Drain the hose and hang it up dry on a hose reel, or store it on a round basked. Don't hang it on a hook or nail which might cause a sharp bend and possibly crack the hose. Replace worn washers.

Properly installed sill-cocks slope outward so they drain when turned off. Be sure all sill-cocks and outside taps are drained or are turned off inside the house.

If you do not already have one, now is a good time to build a tool rack. Hang your tools so you can find them when you need them. Tools lying on the floor can cause serious falls. Tools carelessly hung on nails or over rafters can fall on you.

Announce News Column And Reporter Of Arbury Hills

MRS. GOLD PLUMLY
TEL. MOKENA 5701

Today is the start of what I hope will be a long and successful venture - that of reporting the news of Arbury Hills. I'm going to need the help of every one of you and am hoping you'll call me at Mokena 5701 with news - anything that you think would be of interest to your friends and neighbors; births, engagements, marriages, promotions, meetings, illnesses, parties, etc. There are approximately 65 families living here now; I plan to call on each of you to gather information in order that I may introduce you, street by street, in the paper. After two important announcements, I'd like to start introductions by acquainting you with the people on our street, South Oak, which is the North-South street on the East.

Tonight, Thursday, Nov. 10th, 7:30 p.m. at Summit Hill School is the regular meeting of the Booster's Club. This club was formed some 15 years ago to help the school with its problems - it takes the place of a P.T.A., however, it has the same aims - to help our children and our school, so let's all turn out and support it.

Circle Friday night, Nov. 18th, on your calendar - plans are in the making for a meeting of all Arbury Hills residents to form a civic organization.

Watch the paper next week for exact time and place.

And now, let's meet the people on South Oak. At the North end at 19320, are Frank and Doris Riesbeck and baby Kim, 4 mos. They are Chicagoland people and Frank finds his place of employment, The Superior Match Co. in Frankfort, quite convenient.

Another Chicagoland couple reside at 19321, Mile F. and Rosale Thompson and son, James Howard, who celebrated his first birthday in October. They came here from Chicago Heights; Mr. Thompson is employed by Hollenbeck and Kalem in Chicago.

At 19327, we find the William O'Neill's - Bill and Gerrie have three children, Billy 3, Colleen, 1 1/2 and baby Peggy, 5 mos. They moved out from an apartment in Chicago and Bill is employed at Argonne National Laboratory.

We're next at 19333, Walter, sometimes called Dean, his middle name, and Golda Plumly and sons Denis, 10, and Mike, 8. They lived in the beautiful city of Denver, Colo. before coming to the Chicagoland area a year ago and rented in Park Forest before finding their home here - husband Walter commutes to the loop where he is employed by the U. S. Treasury Department. Pioneers on South Oak are the popular Estes family at 19345 - Archie and Thelma, high school daughter, Phyllis, and son John-

ny, 12, came up from Dallas, Texas in August. Archie is another commuter and is employed in the office of the U.S. Treasury Department.

From Chicago's South Michigan Ave. come Lloyd and Marion Sprinkle. They, with son Billy, 3 1/2, live at 19403. Lloyd is with the Coca-Cola Co. in Markham. Marion suffered a wrench neck in an auto accident last week, however, her car has been repaired and she's feeling fine again.

At 19404 are the Murphy's, Thomas and Agnes, or "Dixie" as she'd like to be called, and son Gary, 9. Tom is the manager of Bob's Baker's Dozen donut shop in the Park Forest Plaza and they plan to have their own donut shop in our Arbury Hills Shopping Center next year.

At the South end of the street, 19415, are the Charles and Katherine Garner and daughter Sandra, 2. They are former Harvey residents - he is finding the drive to his office at Acme Steel in Riverdale an easy one.

Newest resident on South Oak is Ron Sheehan - he's in the midst of moving into his home at 19344. Mr. Sheehan is a plumber by trade.

That's all for this first time - will be expecting to hear from you with lots of news items in the weeks to come, and I'll be calling on you.

4-H NEWS

ALPINE GIRLS
The Alpine Girls - 4-H Club enjoyed a Halloween party last Saturday evening in the Maue School.

Prior to the party the meeting was called to order by the president, Janice Knierrm, Elaine Yunker reported on the October federation meeting.

The program was planned for the achievement meeting for the local unit to be held with the Orland boys 4-H club.

Carol Bettenhausen gave a talk on plastic flowers; a demonstration on Christmas wreaths was given by Kay Maue. Refreshments were served by Elaine Yunker and Marie Maue.

Vision Tests To Be Given At Grade Schools Monday

MRS. DELORES ANDERSON
Tel. HU 5-3651

Monday, Nov. 14 a committee of mothers from the PTA will administer vision tests at both Oakview and Haven schools. Hearing tests for the first, fifth and eighth grades were conducted this Monday at both schools. Mrs. Grace Swank, hearing technician, from the Will County health department was in charge.

The budget and finance committee of the PTA announces the following activities; Kindergarten thru third grade mothers will give a bake sale in December; Fourth thru eighth grades will sponsor a bakery sale in January. Roller skating parties have been scheduled for January 9 and February 28 at Lockport with bus transportation being provided.

There will also be a used clothing sale during the Family Night which is being planned in the Spring.

Mr. and Mrs. Earl Schroeder spent a few days this past week in Minouqua, Wisc., with Mr. and Mrs. Herbert Bruns at their summer home on Blue Lake.

CHILD STUDY GROUP
At the October meeting of the Second Child study group the club voted to donate \$20 to the local library; plans were also discussed for their annual Christmas party.

The group met in the home of Mrs. Jean Cagwin with Mrs. Helen Drake as her assisting hostess. Guest speaker of the evening was Mrs. Bertha Brown, hand writing expert, from Joliet. Mrs. JoAnn Dailey was awarded the drawing prize.

The next meeting will be held, Thursday, Nov. 17 at the home of Mrs. Rachael Bruns with Mrs. Cecelia Erickson as co-hostess.

The Rev. Humphrey C. Dixon, pastor of Grace Episcopal church, Mrs. Catherine Dixon and Mrs. Marie Penn attended the annual presentation of the United Thank Offering, Nov. 3 at the Cathedral in Chicago. They also attended the luncheon at the Furniture Mart following the service.

GRACE EPISCOPAL CHURCH
The Womens Guild will meet tonight (Nov. 10) in the home of Mrs. A. D. Miller at 8 p.m. Mrs. Emmet Sullivan will be co-hostess. Plans will be completed for the annual fall card party to be held next Thursday (Nov. 17).

Mr. and Mrs. A. W. Walsh have returned to their home at Saugatuck, Mich., after spending a few days here with the Len Anderson and Earl Schroeder families.

HOME AND ARTS CLUB
Mrs. William Zeigler was elected president at the club's meeting last Wednesday in the

Marley

Mothers Club To Conduct Bakery Sale Saturday

BY VIRGINIA SASS
HU 5-3133

The Mothers club of the Marley school will sponsor a bakery sale on Saturday (Nov. 12) at Roy Richardson's Meat Market in Mokena, from 10 to 12 a.m.

Robert Gillette of Lexington Ky. spent a few days the past week in the home of Mr. and Mrs. E. D. Gillette.

Mrs. Mary Marshall spent last Friday in the home of Mr. and Mrs. Tom Cooper in New Lenox. On Saturday, the Coopers left to make their home in Princeton, Ill.

Miss Helen Tilsy, Mrs. Charles Lauffer, Miss Bessie Sproat and Mrs. Adella Sproat attended the Bazaar at the Worth Methodist church on Wednesday.

Mr. and Mrs. Robert Sproat spent the week end in Southern Illinois.

Miss Cheryl Sass of Normal University spent the week end here in the home of her parents, Mr. and Mrs. Loren Sass.

Illinois State Normal University is host to high school seniors this Friday.

4-H CLUB
The Bronc Busters club held their final meeting of the summer season with a trail ride and barbecue dinner recently. When the group meets for their first meeting of the winter season election of officers will be held.

Christmas party with Mrs. Charles Ingram as hostess. The Marley church will join other churches thruout the country in observing CROP Sunday on Nov. 13 during morning worship at 10:30 a.m. Present for this occasion will be Bella Bote and Marlene Macasa of the Philippine Islands, who are nurses doing post graduate study at Cook County hospital in Chicago. Miss Bote's father is a minister in the Islands and he has received benefits from CROP. One time he received 4 tons of rice from CROP to feed the hungry in the wake of a typhoon. The two girls will have a part in the Worship service and will also be present for the Fellowship pot luck dinner at noon. Each family is to bring a dish to pass and a dessert, plus their own table service.

CROP Gets Advance Gifts Of Corn In 1960 Campaign

Contributions to Will county's 2,500 bushel quota in the coming drive for gifts of corn to Christian Rural Overseas as Program's campaign already are coming in, John McNair, chairman, announced today. Four farmers pledged 25 bushels each to become members of an informal Twenty-five Bushel club, representing voluntary pledges made before the Nov. 21-22 solicitation by volunteers.

Russell Lauffer of Homer township, John Francis and Mrs. Adella Sproat of New Lenox township and James Tilley of Frankfort township are the first to offer pledges. Tilley is chairman of the CROP board and a former campaign chairman.

McNair said that a commodity chairman to handle delivery of grain to various elevators and local chairmen to solicit in their own areas will be announced soon.

The campaign will open officially with observance of CROP Sunday on Nov. 13. Anyone wishing to join the 25-bushel preliminary donors may call McNair's office, SA 2-8347.

Corn collected in Illinois goes to the Staley company at Decatur for processing into corn oil before it is sent overseas to aid the needy people of the world.

Illinois topped the nation last year with gifts valued at \$175,000, CROP headquarters in Springfield report.

Most of the CROP food is distributed overseas by missionaries and other church representatives. Because this method reaches directly to people in need, the CROP effort is considered one of the most effective ways of helping underprivileged people.

Will county leaders explained that from one-half to three-quarters of a gallon of corn oil is realized from each bushel of corn. Occasionally corn syrup also is sent abroad. Sometimes gifts of cash pay for high protein meats and other products to add to the overseas assistance.

Corn oil serves a vital purpose for many of the hungry. It is estimated that CROP will feed 150,000 hungry Chinese children in Hong Kong alone during the coming year.

Lincolnwood New Officers Preside At Club Meeting

MRS. DELORES ANDERSON
Tel. HU 5-3651

The Busy Hour 4-H club met last Thursday for their first meeting of the new year with Sandy Kooyenga presiding as new president; Barbara Taylor, vice-president; Judy Owen, secretary; and Betty Jane Malloy, treasurer in charge of the meeting. 4-H premium money was given to the girls at this meeting. Their future plans include a trip to the Trade Fair in Chicago.

The club membership has grown to 14 members which includes; Sandy Kooyenga, Barbara Taylor, Karen Erickson, Beverly Otis, Betty Jane and Kathy Malloy, Debbie White, Judy Owen, Donna Guth, Kathy Hunniford, Virginia Manske, June Swanberg, Liz Madden and Hansena VanBorg.

Next club meeting will be held December 1 at the school. Mrs. Eddy poured at the buffet table during the reception.

Mrs. Mary Anne Oesterle's family helped her celebrate her birthday Friday. They recently moved into their new home on Hiawatha Trail.

Mrs. William Leonhart entertained her neighbors and friends at a demonstration party in her home Friday evening.

Seasman 1st Class Norman Onnen of Jacksonville, Fla., Mr. and Mrs. Donald Onnen and Gregory and Mrs. Clara Eddy were Sunday evening guests in the Ralph Eddy home of Streator.

Mrs. Paul White left by plane Saturday for San Francisco, Calif., to attend the wedding of her brother.

B. J. Bishop is on the sick list this week.

Mrs. Nina Preston, Mrs. Barbara Simon and Mrs. Alyce Bishop attended the district luncheon of the Orland Park Women club at the Beverly Woods cafe Nov. 12.

Mrs. Barbara Heitcamp was hostess Thursday evening to the neighborhood bridge club.

Dec. 6 - Christmas bazaar and luncheon by Mokena Methodist church; starting at 11 a.m.

Mokena Drug Store Expands Shopping Space

Shopping space in the Mokena Pharmacy, owned and operated by Daniel Kurber, a registered pharmacist, has been enlarged rearranging the interior.

The prescription department, which formerly occupied space along the west wall of the store, has been moved into a rear room that served as a kitchen when a part of the building was used as an apartment. This provides more room for the prescription department and more space for stock shelves and shoppers in the store proper.

The prescription end of the business has been growing, Mr. Kurber reported, and he has also added to his general inventory to meet customer demands.

Mr. Kurber purchased the store last February from the widow of William Geisler. He had been employed previously as a pharmacist in Joliet.

Green Garden 200 Attend Grade School Open House

MRS. KATHARINE HEISNER
Tel. Frankfort 5157

Dedication services were held Sunday in the Peotone high school auditorium for the three new elementary grade schools in District 207U. George T. Wilkins, superintendent of public instruction for the State of Illinois, was the guest speaker.

After the service open house was held in the three schools, Green Garden, Wilton Center and Peotone, from 3 to 6 p.m. Mrs. Wayne Krapf and Mrs. Anneus Brader were in charge of the guest book at the Green Garden school to which 200 attended.

Room representatives for the various rooms were; sixth grade - Mrs. Henry Kuse and Wayne Krapf; fifth grade - Mrs. Clarence Sangmeister and Anneus Brader; third and fourth grades - Mrs. Leonard Stuenkel and Mrs. Ralph Nagel and first and second grades - Mrs. Arthur Anderson and Mrs. Henry Smit.

Mrs. Earl Bettenhausen will be hostess to her pinocle club next Wednesday Nov. 16, at her home.

Mr. and Mrs. Edward Mueller and Edward Homan all of Manhattan visited with Mrs. William H. Bettenhausen last Saturday evening.

CHRISTMAS BAZAAR
The Women's Society of Christian Service of the New Lenox Methodist church will hold their annual Christmas bazaar today (Thursday) from 10 a.m. to 3 p.m.

A coffee bar will be open all day and a plate luncheon will be served from 12 noon to 1 p.m.

Gifts, homemade bakery, candy and Christmas decorations will be on sale.

Open Nuclear Plant For Tours

Dresden Nuclear Power Station, the world's largest atomic power plant, is now open to visitors for group tours by appointment, it is announced by Public Service Company.

The \$51,000,000 station, which was dedicated on October 12, is located on the Illinois waterway near Morris. It is now in regular operation on the Commonwealth Edison - Public Service Company system. The Plant, which has a net generating capability of 180,000 kilowatts, is the nation's first full-scale, privately financed

atomic power plant. Tour arrangements for groups of 10 or more persons should be made by writing to the station at least three weeks in advance of proposed visits. Requests for information or tour reservations should be directed to: Tour Manager, Dresden Nuclear Power Station, R. R. #1 Morris, Ill.

Weekday tour appointments will be made between 4 to 7 p.m., while Saturday, Sunday and holiday visits will be scheduled between 10 a.m. and 3:30 p.m. The Dresden tour service is available to any group, high

school age or over. Special viewing galleries have been constructed at Dresden to enable visitors to see the control room, turbine room and fuel handling building. In addition, the original construction office for the plant has been converted into an exposition building with a small auditorium and an exhibit hall.

"Inside Dresden," a 12-minute, full color movie, is shown at the start of each tour. Visitors are then conducted into the exhibit hall, which features an animated model of Dresden. Models of fuel assemblies, control rods and other displays help to show how kilowatts are made from atoms at the modern nuclear plant. Tour escorts are technical instructors from high schools in the plant's vicinity.

Mokena Kindergarten Has Costume Party; Takes Tour

Mrs. Russell Bennett headed the mothers' committee which arranged for the Halloween party of the Happy Hour Kindergarten of Mokena Oct. 28. She also provided Halloween birthday treats for the children in honor of her son Brian's birthday.

Special entertainment was a visit from Dry Bones, a puppet, who danced to the music of "Dry Bones". Mrs. James Stewart, assistant to the director, Mrs. William Howard, manipulated the puppet to the children's delight.

Another outstanding event in the kindergarten program was their tour on Oct. 27 of the Facinelli Bakery and the Glenn Vally Farm, both of New Lenox. The pupils were most observant in watching the mixing and baking processes at the bakery and were pleased to receive a doughnut at the end of the tour.

At the Glenn Vally farm show horses, Hereford cattle being fattened for market, and new kittens vied for the kindergarten children's attention.

Perhaps the most exciting part of the day for many of the children was riding on the bus which took them on the tour. The bus was provided by Mrs. Paul Yarbrough, mother of one of the pupils.

The Mokena Lions Club has purchased a phonograph for the

kindergarten, which now has an enrollment of 28, and the pupils are now spending many happy sessions in music appreciation.

The Christmas decorations demonstration by Robert Watkins, Chicago florist, on Nov. 29, at 8 p.m. at the Carpenter street school is being sponsored by the Mokena Woman's Club to raise funds to buy additional items of equipment for the kindergarten.

ROAST BEEF DINNER

The Woman's League of Trinity Lutheran church of New Lenox will sponsor their annual roast beef dinner, Wednesday, Nov. 16. Servings will be 5:00, 6:00, and 7:00 p.m. and tickets may be purchased by calling Mrs. Amos Bruns, HU 5-3011 or Mrs. Alfred Mitchell, Mokena 5629.

Rich Defeats Knights In Season Final

BY BILL SLUIS

In a thrilling climax to a fine football season, the Rich Rockets dealt the Lincoln-Way Knights a 13-0 shutout Saturday. The Rockets, who have grown steadily stronger as the season has progressed, were up against a Lincoln-Way team still noticeably weakened by injuries. The Knights, whose backfield trio of Dan Fenn, Ron Miller, and Wayne Lauffer usually smash for 200 or more yards, were able to gather only 56 yards. This compared with 209 for the visiting Rockets.

The first half was hard-fought and scoreless. Rich dominated offensive play, but the Lincoln-Way defense held stalwart. A first period drive by the Rockets was broken up when Wayne Lauffer intercepted a pass from Monty Hughes at the Knight 14. Another threat was averted by Ron Yunker in the second quarter when he recovered a Rich fumble at the L-W 18-yard line. This kept the game scoreless at half time.

But in the third quarter lightning struck twice within two minutes. The Rockets scored first with 3:43 remaining, after a sustained march of 80 yards. Jim Howard scored on an eight-yard plunge over center to put Rich in front 6-0. Howard also tried the conversion, but failed a run by about a yard.

On the second play after Lincoln-Way had received the kickoff, a pass from Ron Yunker of Lincoln-Way sailed into the arms of Rich defender Jim Howard at the Lincoln-Way 35 and he returned it to the Knight 18. From there it took only two plays to set up a Rich touchdown, with Bob Spuhler scoring from five yards away. On

CARL SANDBURG HIGH SCHOOL Cross Country team is a new team this year. Under the direction of coach Wilson, they expect to shape for coming events in their particular area of sports. The team has practiced assiduously during the two months of school.

Left to right: back row - LeRoy Nietze, manager; Charles

the conversion Spuhler took a handoff and charged over tackle. He was hauled down right at the goal by a swarm of Lincoln-Way defenders, and a disputed decision by the referees ruled the extra point "good."

Despite fine efforts, the Knights were unable to score in the remaining quarter. They were forced to punt twice and lost the ball once on a fumble, and really didn't threaten at all until the last minute-and-a-half. At this time they moved to within 12 yards of the goal, which is where they were when the final horn sounded.

The final standings in the Southwest Suburban Conference show the Knights in a third place finish behind Sandburg and Rich.

Knights 0 0 0 0 -- 0
Rich 0 0 13 0 -- 13

L-W Varsity Gridders Wind Up Season In Third Place

BY BILL SLUIS

With the conclusion of their final game with Rich, the 1960 South West Suburban race is over for the Lincoln-Way Knights. It has been a great season, with fine individual and team performances.

For the team, it was the best season in the history of the school. The Knights finished with a record of 4-2-2, a slight improvement over the old school record of 4-3-1. Their efforts gave them a third place finish in the conference, trailing Sandburg and Rich in the final standings.

Individually there were also some fine performances. Dan Fenn, ace Lincoln-Way half-back, had a particularly outstanding year. He scored 59 points to be among the top scorers in the Joliet area, and

compiled 930 yards over the course of the season, a total which was nearly half of the Lincoln-Way season total.

Skip Kruzich proved himself the top quarterback in the Southwest Suburban Conference. Skip earned a great deal of comment and respect throughout the area for his ability to pilot the Knights, who have the smallest team in the conference with only 23 players.

Commendation also should go to Wayne Lauffer and Ron Miller for their work in giving Lincoln-Way the most formidable rushing attack in the conference.

On the line, John Kropp has received the greatest acclaim this season. John, who is the hard-hitting center for the Knights, won the "Chicago Area Lineman-of-the-Week" award for his part in the game with

Braves Down Spartans For First Conference Win

BY AL STUART

An inspired Bremen team played heads up football last Friday to down the highly-regarded Oak Lawn Spartans, 12-7 at Oak Lawn, for their first conference win.

It was do or die for the Braves in entering the winner column in the Southwest Conference standings.

Coach Larry Callan's boys were rugged on defense and the backs moved well in the clutch. The Braves scored their initial touchdown midway in the

first quarter to lead 6-0 on Rich Norbut's seven-yard sprint around end.

Phil Tunstall added another T. D. thru tackle after the Braves had marched down the field to the eight-yard marker.

The Braves' defense contained the Spartans until the final quarter when Katzman scooped up a blocked punt and streaked his way to the end zone after a 30-yard jaunt. Aldridge's kick was good to end the scoring.

Ends Season With Shutout Of Vikings

Carl Sandburg high school students are riding high. Sandburg won its first Southwest Suburban conference football title, undisputed, as a result of its 45-0 victory Saturday over Homewood-Flossmoor.

Sandburg's frosh-soph entry in the league also wound up champions. They finished the season in a tie with Reavis, each team having won six and lost one game in the current season. The frosh-soph are coached by Henry Meier.

The triumph of the varsity in this season's play was not a surprise. Sandburg was knocking at the door last year and observers predicted they would take the crown this season.

As a matter of fact there hasn't been one of the seven years since the school and conference opened that the Eagles of Sandburg under the tutelage of Coach Joe Devine have not been a threat. Anyone who ever sold the Eagles short was quite likely to wind up on the short side of the score, regardless of what the teams may have looked like on paper. And just the other day on a radio program some football coach was quoted as saying that the unfortunately the game was played on turf and not paper.

The Eagles wound up with a record of five wins, one loss and one tie in conference play. Rich finished in second place and Lincoln-Way in third.

Devine has had a well-balanced team and like all his entires it played as a team. He had plenty of power and the Eagles could gain the hard way or thru the air. He had some good blocking too for his ball carriers and the line was excellent.

Coaches Devine and Meier and the members of both squads were honored at a school assembly Tuesday afternoon. The conference trophies won by the two Sandburg teams were presented to the boys by Supt. W.O. Fisher.

The curtain dropper for the 1960 season was played at the home of the Vikings (Homewood-Flossmoor) and there was never any doubt as to how the game was going to end from the Lasmet to build with.

way it started.

On the third play in the opening quarter Bud Swayne was shaken loose on a reverse and went flitting down the field for 50 yards and a touchdown.

The Vikings have not been too strong this season, but in football as in politics and many other contests one can never tell. The Eagles entered the game confident but not complacent. They wanted the title so they dusted off their hands, straightened their helmets and went to work.

Swayne scored again at the beginning of the second period, fielding a punt and then dodging and twisting his way for 77 yards and goal. He had some beautiful blocking.

Jim Jeffries, who has been consistent all year, also scored twice, once on a 40-yard sprint and the other time on an 86 yard run. The ball had come to Sandburg on their own four. Backfield blockers carrying out their assignments in fine style, Jeffries squirmed thru tackle, shook off an approaching tackler and shook loose for his 86-yard jaunt.

Bill Gorney, an end, also got into the act. He snagged a Viking pass and was off for 45 yards. He was dumped on the five and on the next play Quarterback Brown flipped a pass to Bill in the end zone. Later on Gorney scored again, this time on a 30-yard pass flipped by Brown. Ted Levine, Rapidy Cernick and Jeffries all added points after touchdowns.

At the half it was Sandburg 26; Vikings 0.
